## GLS at Netcomm Forum 2025

Once again this year, we will be attending the Netcomm Forum, the leading event for the e-commerce world!

Join us on **April 15-16** at **MiCo**, booth G09, to discover the latest innovations in the logistics sector.

🚀 **The highlight of the event? The new GLS lockers!** Find out how they can revolutionize deliveries for your e-commerce.

📣 **Don't miss the Round Table!**

On April 15 at 2:00 PM, Elisa Piazzola, Chief Commercial Officer of GLS Italy, will take part in the discussion **"Selling and Exporting with Marketplaces"**.

**Here's a preview of her speech:**

*"Twenty years ago, commerce went digital. Today, thanks to technological advancements and the growing culture of online shopping, we are experiencing unprecedented expansion. From AI to augmented reality, we are laying the groundwork for another twenty years of transformation. In our industry, AI is already revolutionizing Customer Service and last-mile deliveries".*

We can't wait to meet you!

Stop by and find out how we can be your ideal e-commerce partner.

Follow us on our social channels and on [InSight](#) to stay updated!
